1. Policy Statement

This Trust is committed to recruiting fairly and safely. This policy provides a framework for recruiting and selecting appropriately experienced and qualified employees, fairly and transparently. To support the Trust's commitment to social inclusion the best candidate will be appointed irrespective of race, gender, disability, nationality, sexuality, age, marital status or religion.

The trustees will ensure that all staff, governors and trustees involved in recruitment and selection are appropriately trained, including ensuring that at least one member of every recruitment panel is trained in Safer Recruitment.

The job title of Headteacher is interchangeable with Head of School in all North Star Academy Trust's policies.

2. Equalities

The Trust aspires to have a workforce that reflects the diversity of the city's population. This Trust will implement recruitment practices which support this aim and give due consideration to positive action, reasonable adjustments and equalities initiatives which can help to address any under representation.

The trustees and governors will not discriminate or tolerate discriminatory behaviour on the grounds of age, disability, educational background, gender, employment status, ethnic origin, marital / partnership or family status, race, religion or belief, sex, sexual orientation, social class, transgender, working pattern or any other irrelevant factor in any aspect of employment.

The Trust is committed to employing disabled people, and reasonable adjustments will be made to the recruitment procedure to ensure that no-one is disadvantaged because of their disability. If a disabled person is appointed, reasonable adjustments will be made to the workplace, including premises & equipment, duties, practices or policies.

Refer to [Access to Work Information](#)

3. Procedure

This procedure applies to the recruitment of all posts in this Trust.

Headteacher recruitment will be undertaken by the CEO in discussion with the Chair of Trustees and the local governing body. Recruitment of the CEO will be carried out by the Board of Trustees and an educational specialist as required.

4. Prior to Advertising

The local governing body will nominate a recruitment manager. For many jobs this may be the headteacher, but the headteacher can delegate this to appropriate members of the senior leadership team. For members of the Executive Leadership Team it will be the Board of Trustees.

The recruiting manager will

- Review the need for the job. The Head teacher and Governors should determine if the post needs to be filled, or if there are alternative ways of achieving the same results.
- Where the vacancy is not permanent ensure the reasons why are clear and that these reasons are put into supporting paperwork.
- Where the vacancy is as a result of a restructure ensure that the trade unions have been consulted.
- If there are significant changes to the job, the post needs to be evaluated to determine whether the changes affect the grade of the post.
- Check that the job description and employee specification do not include any discriminatory criteria and are clear and concise.
- Check that the employee specification includes a criterion under special features regarding safeguarding so that candidates and employees are aware that appropriate disclosure and barring checks will be undertaken.
- Where the post will involve working in Early Years the Employee Specification must include a criterion relating to Disqualification by Association.

5. Safer Recruitment

This Trust is committed to ensuring the safeguarding of its pupils through the use of a safer recruitment process.

Safer recruitment training is a legal requirement and is available on-line or in person from a number of providers. At least one member of every recruitment panel must have been trained in Safer Recruitment. The Board of Trustees and each local governing body will nominate at least one person to undergo the full training.

All recruitment will follow the current guidance on Safer Recruitment.

6. Disclosure and Barring Service (DBS) Checks

All posts in schools are subject to satisfactory DBS checks. This information should be included in the advert and the further details for the post.

If the employee is going to be working in Early Years s/he may also be covered by additional legislation (Disqualification under the Childcare Act 2006) and must also complete the relevant documentation.

Candidates' identities will be checked at interview as part of the process. The documents which can be used to check identity are shown at Appendix 7.

Any gaps which appear in an application form which are not accounted for should be followed up by questions at interview.

Recruiting Managers should check the foreign history of overseas applicants. The DBS website gives instructions on how to access other countries' information.

Disclosure and Barring Service Web site.

7. Advertising

The Trust will advertise its headteacher and any deputy headteacher posts nationally, in accordance with Education law.

All jobs of three months' duration or longer will be advertised.

Internal and external applications will be invited if there is a need to improve diversity, and / or attract new perspectives.

Advertising can be restricted to an internal advert only where:

There is sufficient diversity in the team/workgroup of the school and there are sufficient suitable candidates to compete for the vacancy.

As a consequence of an internal reorganisation where to make an external appointment would lead to a need to reduce that work group.

In the case of amalgamating schools where special arrangements apply.

A template for an advert is attached as Appendix 1

7a. Where to Advertise

Advertising is important to attract the best possible applicants to apply for the job.

Posts will be advertised where they will be seen by appropriately qualified potential applicants e.g. E-teach, local newspapers, the TES, the school's bulletins/newsletters local shops/community centres. The specific location will depend on the post that is being advertised.

School vacancies are advertised mainly (but not exclusively) with E-teach, the TES and other national or local publications, the school website and on social media.

The school will determine the most appropriate form of advert for the post, including the use of 'signpost' adverts which will be published in the local press and specialist media, giving job title, pay and contract type. The advert will 'signpost' applicants to the school (or school's website) where full information about the vacancy will be available.

The closing date for receipt of applications will usually be 14 days after advertising.

8. Applications

The Trust will use its standard application forms for teachers and support staff for “people applying to work with children or vulnerable adults” which will be placed with E-teach.

The recruiting manager will arrange for the receipt of applications within the school by someone who is not involved in the process and has no interest in the position.

The forms will be stored confidentially until they are passed to the recruiting manager for shortlisting.

9. Shortlisting

The recruiting manager and at least one other member of the interview panel will independently shortlist applicants against the essential criteria on the employee specification.

Records of shortlisting must be of sufficient detail to allow constructive feedback to be given to applicants upon request. Therefore, panel members must record sufficient reasons why applicants have not been shortlisted.

Any disabled candidate who meets the essential criteria or who may do so with reasonable adjustments will be shortlisted.

If successfully shortlisted the HR Department will also be conducting an individual online search including social media platforms of the applicants 'name, education and employment', to demonstrate due diligence following the updated 'Keeping Children Safe in Education 2022' guidance. The search will not form part of the actual shortlisting process and any concerns arising from the search will be discussed directly with the applicant.

A shortlisting template is attached as Appendix 2

10. References

Two references should be sought at the same time as candidates are invited for interview so that they are available prior to the interview. The first reference should be from the current or most recent employer.

The referee should be asked specific questions about the applicant's suitability to work with children and details of any disciplinary issues.

References should be scrutinised before the interview by the recruiting manager and should be available wherever possible for the panel at interviews.

If necessary jobs will be offered subject to satisfactory references however the Trust will complete a risk assessment until the two references are received.

All pre -employment checks will be completed before new employees start work in the Trust.

A reference request template is attached as Appendix 3

11. Assessment Methods

Assessment centres, occupational tests or role plays where appropriate, will be considered to aid recruitment.

Occupational tests are a useful way of selecting candidates, and require them to demonstrate their ability to undertake tasks within the job.

Assessment methods will include a face to face interview.

Advice is available from your HR provider, and those responsible for school improvement within the Trust on assessment centres and Occupational tests.

Invitations to interview will inform the candidates of any tests or presentations which will be required

12. Invitation to Interview

All shortlisted candidates will be invited to interview in writing.

The invitation will advise the day, date, time and venue of the interview and give details of the selection process which will be used. It will also ask candidates to bring suitable original documentation to check

- Qualifications
- Identity

- The right to work in the UK

A template invite to interview letter is attached as Appendix 4.

13. Selection

All candidates must be subject to the same selection process which will include an interview

Reasonable adjustments must be made available to any disabled candidate and these should be recorded. Advice is also available from the Trust's HR Provider.

A minimum of two people will be on the selection panel and three people for headteacher interviews.

Where possible interview panels will be diverse in terms of gender and race, and where a candidate has declared as disabled, in terms of disability.

Interviews will be structured and planned.

The panel will draw up and agree interview questions. Questions should include Warner style questions (or Value-based interviews) as well as questions about qualifications, previous experience, competencies etc. The interview panel should be clear of positive and negative indicators in the answers. All candidates should be asked the same questions but supplementary questions may be asked, and questions to clarify particular information, e.g. from application form should be asked.

The outcomes of any assessment processes must be recorded on an interview assessment form. If the panel does not unanimously agree who the successful candidate should be, the panel member(s) who disagree(s) with the majority opinion or with the decision of the chair of the panel, will record their opinion on the assessment form and sign it.

Sample assessment forms are attached as Appendix 5

The assessment form will identify all those candidates who meet the criteria and are appointable and allow them to be ranked in order of merit based on the objective assessment. Candidates who meet the criteria and who are appointable but were not the best candidate on the day can be identified as 'reserve' candidates for 12 months. Records must also be kept of candidates who did not meet the criteria, with clear reasons given as to why they did not meet the criteria.

All other notes from the assessment process which panel members may have made as an 'aide memoir' can be destroyed or added to the recruitment file. Where they are included in the recruitment file applicants can request to see them under the Data Protection Act.

Records must include agreed feedback to be given to candidates upon request. Where requested, feedback should be given within 10 working days, or as soon as possible.

14. The Offer

Job offers may be subject to satisfactory DBS clearance, and where necessary (ie due to this not having been checked at interview or the outcome being awaited) evidence of qualifications and right to work in this country being received.

[Guidance on Right to Work from Business Link](#)

Template offer letters are attached to this policy as Appendix 6 (samples only, tailoring will be needed).

Successful candidates will be paid in accordance with the Trust's pay policy.

15. The Right to Work in the UK

There are laws in place to ensure that only those entitled to live and work in the United Kingdom are offered employment. It is a criminal offence for employers to employ someone whose immigration status prevents them from working in the UK.

A potential employee will be asked to provide information in accordance with Appendix 7.

The school will check and copy the relevant pages of the documentation and retain the information on the personal file.

All job applicants will be treated in the same way and will be required to produce the relevant documentation before any job offer is confirmed. Failure to produce the relevant documentation will result in the job offer being withdrawn.

European Economic Area

Nationals from European Economic Area countries can enter and work in the UK providing they have applied for status under the EU Settlement Scheme The relevant documents will be checked as above.

See Appendix 8.

16. Administration

Starter documentation needs to be completed for the Trust's payroll provider Integra. Once all recruitment and paperwork checks are completed, the details are added to the school Single Central Record (SCR) for each staff member. This includes Right To Work checks and DBS details once the certificate has been seen.

17. Commencement of Employment

All new starters will receive an induction pack from the Trust which will include the Staff Handbook and Code of Conduct declaration.

18. Induction

Induction is a continuation of the selection process. The line manager needs to effectively structure induction to ensure that new recruits are properly integrated into their job and the Trust.

19. Probation Period

All support staff and leadership staff appointed to this school are subject to a six-month probation period, including those with previous local government service.

Probation is an important time for both managers and new staff to settle in to a new role and to identify whether they are able to undertake the job to the required standards.

Managers should use the Trust's probationary policy and guidance documentation below to structure and record the probation period.

20. Complaints

Complaints regarding the appointment process should be made in writing to the headteacher, CEO or Chair of Trustees as appropriate.

If the complainant is not satisfied with the response given s/he can appeal against it to a panel of governors/panel of trustees.

Support and advice is available from the school's HR provider.

Dear,

Reference Request for Post of:

Date to be returned by:

As you may know, xxxxx has applied for the above post and has given your name as a referee.

I enclose a job description and employee specification for the post, and a questionnaire to be completed if you are the current, or former employer of the applicant.

If you are not a current or former employer of the applicant, please supply a character reference.

This post is a regulated position, which means that police clearance through the Disclosure and Barring Service will be sought for the successful candidate. **References need to be returned before the interview** so that they can be considered. I would, therefore, very much appreciate you completing the attached questionnaire by the above date, or supplying a reference in your standard format.

The post for which the application is being made is exempt from Section 4(2) of the Rehabilitation of Offenders Act 1974 in order to protect the public. It is not, therefore, in any way contrary to the Act to reveal any information you have concerning convictions which would otherwise be considered as 'spent' in relation to this application and which you would consider relevant to the applicant's suitability for employment. Any such information will be used only in consideration of the suitability of this applicant for a position where such exemption is appropriate.

Our employees have the right of access to their own personnel files and, therefore, to references held within them. Can I, therefore, respectfully remind you that references need to be factual, accurate and objective.

Our recruitment policy places great emphasis on references. Candidates can only be appointed on receipt of satisfactory references. Any delay in receiving the reference could delay this appointment should the above named be the most suitable applicant.

Your help in this important part of our procedure is very much appreciated.

Yours sincerely,
